Part Time CAD Drawer/Inside Sales - Kitchen and Baths

This position will complete CAD drawings for kitchen and bath projects. The position will also assist with servicing customers and prepare cost estimates for select projects.

Responsibilities

- Prepare CAD drawings for kitchen and bath installation projects
- Provide customer service/sales for kitchen and bath projects
- Order materials for projects and ensure accuracy
- Handle customer concerns, provide appropriate solutions and alternatives timely; follow up to ensure resolutions
- Prepare cost estimates for kitchen and bath projects
- Work with customers to understand project desires
- Place orders for installation fixtures and components.

Skills

- CAD skill necessary. 20/20 CAD experience helpful, but it will be taught by employer as necessary
- Good math skills. Cost estimating methods will be taught by employer
- Good communication skills

Interested applicants should email resumes to David Kahle at **dkkitchen@gmail.com**
